International Shipping!**

## CAPABILITY STATEMENT

**UEI:** WE8NU1QAFN64 -- **CAGE:** 1QZX3  
**NAICS:** 334516, 811219, 541380, 541713, 541714, 541715

### WHO WE ARE

Sciencix, Inc. is a **SAM registered, HUB Certified** national award-winning small minority owned business founded in 1985. **We are a trusted manufacturer of HPLC & Mass Spec repair parts, PM kits, and custom assemblies that are engineered, tested, and proven as comparable to OEMs in fit, form, and function for up to 30% less cost.** Under our ISO9001:2015 Certified Quality Management System, our products are proudly **sourced and assembled in the U.S.** and ship same-day directly from our warehouse. We serve laboratories in 100+ countries with a robust product development pipeline driven by engineers with 100+ years of combined experience in our 28,000 sq. ft. engineering test lab.

### CORE SERVICES

A cost and time saving solution for laboratories in industries including:
